Deliverance

Breaking Soul Tie Prayer:

In the name of Jesus, I break the power of all ungodly spirit, soul, and bodily ties forged between _____ and me.

By the power of the cross, I send back to _____ all parts of him/her that he/she gave to me.

And I take back from _____ all parts of me that I gave to him/her.

I nail to the cross, the lie, that joining with _____ in this ungodly way was necessary, needed, or wanted.

Father, I ask you to set a guard over my spirit, thought life, and dream life to never again connect with _____ in this ungodly way.

How To Apply:

1 Corinthians 6:16- “Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, ‘the two will become one flesh.’”

- During your fast, 24 hours before your deliverance session, position yourself in prayer and break soul ties **OUT LOUD**.
- An unhealthy soul tie is when two people’s souls are spiritually knitted together through sexually immoral relationships (incest, molestation, fornication, rape, prostitution, etc.). A soul tie can also be formed in a toxic relationship that is codependent, controlling, manipulative, abusive.
- Common red flags that you have a soul tie with someone: You still dream or fantasize about an ex-lover; or you encounter this person sexually in dreams, etc.
- Make a list of all the names of the people that fall into the categories mentioned above. Recite the soul tie prayer for each person on the list.
- **Warning:** You could experience light manifestations while reciting these prayers in preparation.
