Breaking Freemasonry Prayer:

Lord, on behalf of my ancestors I confess their sin of joining with all affiliations and branches associated with Freemasonry. They violated your first commandment, which is to have no other god's before you. I ask for your forgiveness towards my family members who wrongfully committed themselves and their descendants to Masonry or any secret societies.

Lord, I vow to you to never serve the Messianic Lodge nor Jahbulon, who is the ruling spirit of Freemason.

I renounce all "blessings" of the Masonic Lodge. I want nothing to do with it and I will not align myself or my children with their teachings.

I renounce all initiation pledges, oaths, and vows that bind my family bloodline to Masonry and I detach myself and future generations, beginning today and forever more.

I break and release myself from the oath and vow my ancestors made stating that if any of their descendants fail to serve the Lodge or Jahbulon, then they will be cursed with disease and sickness. I detach myself, all future generations, and our DNA from this vow in Jesus' name.

I break and release myself from the curse of all sickness, disease, infirmity, mental illness, respiratory problems, reproductive problems, digestive problems, cancer, and death, due to any pledge associated with Masonry. I cut myself off from this abomination.

I command Jahbulon to leave me, in Jesus name.

I command infirmity and death to leave me, in Jesus name.

I place the cross of Jesus in my family bloodline and I sever all ties with this ungodly part of my natural heritage. I claim the power of the cross all generations back and all generations forward. I break the power of all the demonic spirits assigned to me through Freemasonry to perpetuate this in my family line.

How To Apply:

2 Timothy 4:3-4 "For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own passions, and will turn away from listening to the truth and wander off into myths."

- One of the many initiation pledges all members must pledge is that their family, for generations to come, must serve the Lodge or disease and calamity will fall upon their disobedient family member and future generations. They also vow to never share the secrets of Freemasonry or they declare death and sickness will fall upon themselves.

By placing death curses on themselves and others, they violate the laws of Christianity. In Matthew Chapter 5, Jesus clearly forbids the uttering of presumptive oaths that one does not have the power to perform.

Masons also believe that Jesus was nothing more than a man and teacher.

We encourage you to do your own research on this endless secret society.

- **During your fast, 24 hours before your deliverance session position yourself in prayer and break vows, oaths, and pledges associated with Freemasonry; pray OUT LOUD.**
