## Breaking Ungodly Covenants, Vows and Oaths:

I break all ungodly covenants, oaths, vows and pledges I have made known or unknown.

I break all ungodly vows I have made to my country, pledging my only allegiance to a flag and not Jesus.

I renounce all ungodly oaths, vows and pledges made by my ancestors and me to idols, demons, false religions, ungodly organizations, fraternities, sororities, The Lodge, all divisions of Freemasonry, Catholicism, Jehovah Witness, Mormonism, Buddhism, Hinduism, Taoism, New Age, & all other false religions.

I break all covenants with death and hell made by my ancestors and me.

I break all blood covenants made by sacrifices and abortions that would affect my bloodline and myself.

I remove all blood from any satanic altars set up for my ancestors or me. I replace it with the blood of Jesus.

I break all covenants and blood sacrifices made with false idols or demons through occult involvement.

I command all demons that claim legal right to my life or hiding behind a curse to be broken now, in Jesus name.

**Lord**, moving forward I commit myself and future generations to only serve Jesus Christ. I claim your promise that whoever calls on the name of the Lord will be delivered. I'm calling on you to deliver me from all evil spirits and set me free by the power of the blood of Jesus Christ.
